Develop your creativity:

- Create a model of your base camp.
- Put together a rucksack of the 10 most important items for your survival.
- Design and create a shelter to protect you from the elements.

Develop your creativity:

- Make a model of an igloo.
- Make a puppet of who might live in an igloo
- Draw 5 things you would need to live in one
- Draw a picture of a person who lives in a Polar region
- What do they wear? What will they need? Write labels or sentences about your picture.

ST. MARY'S CATHOLIC PRIMARY SCHOOL
Learn, Care and Pray

The Year 3/4 Challenge Project is:

'Extreme Survival'

Choose projects to achieve Points.

You can add with your own ideas too! Tick off what you have completed to achieve your points.

2 points each

Explore your mathematical/ entrepreneurial skills:

- You have £1000 to spend on supplies. How would you spend it? What supplies are vital for your survival?
- Create a table /graph to show temperatures in your locality over a year.
- Create a plan and a net of your tent/shelter.

Explore your locality:

- What different homes are there where you live?
- Create a scrapbook of photos of different types of homes.

Extend your research skills:

- Create a fact file about your chosen 'Survival' location.
- Make a survival guide of Top Tips.
- Draw a map of your location - label key features that help and to avoid DANGER!.
