

"With Christ as our guide we let our light shine."

A Message from Mrs Yuen...

Dear Parents and Carers,

I hope you have been enjoying the beautiful weather we have had this week. The children and staff have made the most of it by taking some of their learning outside. Under the shade of the trees, Reception and Year 5 children have been making kites in outdoor learning and English/ Drama lessons in the outdoors, have taken on a completely different perspective with all the extra available space to rehearse their performances.

This week Reception class took delivery of ten eggs, which they have been watching hatch into beautiful chicks and the whole school were treated to a performance of the classic novel 'Oliver Twist' by M&M productions, which went down a storm.

Two of our children treated their class and some of the staff to a beautiful rendition of a piece of music and lyrics which they created as part of their RE lesson about the Gifts of The Holy Spirit. Well done girls, it was truly beautiful.

Happy Fathers' Day!

Have a wonderful weekend.

*Best Wishes
Mrs Yuen*

Alton Castle

Egg-citing Learning In Reception

After taking delivery of the eggs on Monday, the children in Reception didn't have to wait long for the eggs to start wobbling and the shells begin to crack, before the emergence of the chicks. The children have been enjoying learning about life-cycles and how to care for animals, as well as providing a whole host of literacy and numeracy opportunities.

Oliver Twist

The classic tale of Oliver Twist was brought to life this week at St. Mary's by the M&M Production Company, as the children were transported back to the Victorian era and relived the tale of Oliver Twist, an infant placed in an orphanage, who finds his way to London and meets up with the 'Artful Dodger'. The children thoroughly enjoyed the production, and we look forward to welcoming the company back to our school next academic year

Celebrating Our Learning

Canopic jars, designed and painted by Year 5 as part of their Egyptian Topic.

Showing off the first batch of strawberries from our school garden. They were delicious.

Fathers' Day Pop Up Shop

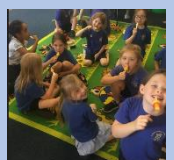

Thank you to everyone who supported the PTFA's 'Pop-Up' Fathers' Day Shop. We had great fun

Hot, Hot, Hot!

As temperatures soared this week, the children enjoyed a delicious ice-lolly to help keep them cool.

Please remember to send your child into school with a sunhat and apply sun cream and send them in with some, which they can re-apply.
