## *A Message from Mrs. Blicow...*

Dear Parent/Carers,

A huge thank you to everyone who came to cheer on the children at Sports Day on Wednesday and congratulations to House of Walsingham, who won the House Sports Trophy. The new format for the event, has been met with very positive comments and some suggestions too, perhaps a race for parents next year..?

On Monday we have our 'Moving Up Day', when the children get to meet their new teacher and spend the morning in their new classrooms. Children should come to school at the normal time and enter through the same door as they do now. They will have a short Assembly and then move to their new class with their new teacher. Please pick your child up from their current classroom.

We will also welcome our new Reception intake for the next academic year, who will spend their first morning at 'big school', while many of our Year 6 children will spend some time at their new Secondary Schools.

This is always an exciting time and I hope everyone has a wonderful time trying out new things.

*Have a wonderful week*

*Mrs Blicow*

## Sports Day At St. Mary's

Our new look sports day got off to a flying start with our KS2 children and the distance race. The new points system meant that everyone's participation counted, as the children tried to amass as many points as possible to win the Sports Trophy. The distance race was hotly contested, before the children split into House Groups and made their way round a series of activities testing their agility, hand and eye co-ordination and effort. With a slightly shorter distance, the younger children also took to the track for their run. Cheered on by parents and family, the children showed great determination as they raced to win as many points as they could.

## Much More To See And Cheer...

This year, parents were able to follow and cheer on their children as they worked together in their House Groups, negotiating their way through the different activities. Tested on their skills in jumping, throwing and speed, the children put to good use the skills they had been learning in PE.

## Congratulations To The Winning House The House of Walsingham

## NMPAT Singing Concert

After a series of singing lessons from NMPAT, the children of Years 5 and 6 performed to parents and friends, in a beautiful concert, with examples of traditional and contemporary music. Well done everyone.
