

"With Christ as our guide we let our light shine."

A Message from Mrs. Blincow...

Dear Parent/Carers,

At the end of another busy week in school, the school came together on Friday morning for our weekly Celebration and Worship Assembly. This is a chance to celebrate the hard work and successes the children have had throughout the week.

Each week staff come together to choose a 'Star of the Week', which is always a difficult decision to make. Given to children who live out the school's Mission, "With Christ as our guide, we let our light shine", it was lovely to see that the awards this week, were given out to children who were recognised for living out this month's focus Virtue - Respect and Courtesy.

Being respectful and courteous helps people feel valued and appreciated. All people of every culture and race, age and sex should be respected. Rules in our schools and faith help to guide us to respect each other in what we do and say. When we respect ourselves and our world we are fulfilling our role of stewardship in God's world.

Well done to all our children.

"So in everything, do to others what you would have them do to you."
Matthew 7:12

Have a lovely weekend

Mrs Blincow

The Season of Creation

We joined school children all over the country this week, as we came together to watch the National Assembly on 'The Season of Creation'. As Stewards of God's Planet, we are all responsible for doing our part. God's creation is sacred and reflects something of who God is.

Caring for our earth is part of what it means to be a Christian and a pupil at St. Mary's. The children were set a challenge to write about the wonder of God's Planet. We can't wait to see what they write.

Term Dates

Term Begins

Wednesday 6th September

Feast of the Nativity of the

Blessed Virgin Mary

Friday 8th September

Parents' Evening

Tuesday 3rd October

Wednesday 4th October

Half-Term

Monday 23rd Oct – Sun 29th Oct

School Re-opens

Monday 30th October

Pupil Council

More of our children received their 'badges of office' as this week, we met our new pupil council representatives. Working alongside Mrs. Curry, They help to make decisions about how the school is run and take on projects that support the children's learning and development, such as organising charity events or representing the school at outside events.

Eco Stewards Meet Online

On Friday, two of our school's Eco Stewards met online, with others from The Olicat Trust. The aim of the group, is to meet together to share ideas and resources to make all our schools aware of the importance of looking after God's planet. With sustainability on the agenda, the children discussed how we could save energy by making little changes at home and in school. They will now go back and share this with pupils and staff in school and report back later this Term.

Pupil Leaders

Digital Leaders and school monitors, have been added to the role of pupil leaders, receiving their badges at our Celebration and Worship Assembly.

Peace Makers

This week, our Peace Makers, received their beautiful enamel badges. Their role is to encourage and support positive friendships in school, acting as role models for their peers.
