World Book Day Celebrations

Lots of fun was had when we celebrated World Book Day. This annual event is a celebration of authors, illustrators, books and the joy of reading, which is loved by all children who get the chance to dress up in school as their favourite character from a book. Don't forget to use your child's book token which was given out before half term.

Father Daniel Visits Year 6

Father Daniel, from Northampton Cathedral, came to talk to Year 6 about Holy Communion. He started by telling them about the history of the ceremony and how it relates to the Bible. He then went onto talk about the clothes he wears and items he uses when he delivers Holy Communion. It was a fascinating insight and we all really enjoyed the learning it provided.

Taller? Shorter?

In Maths, the children in Reception class have been exploring height and length. Using words like taller and shorter, they were able to compare the height of 3 objects and order the objects from shortest to tallest.

LENTEN REFLECTION

You are invited to join pupils from the Northampton OLICAT Schools on their Lenten journey:

Take time to be with Jesus to relive His suffering through the eyes of our young people in reflection, prayer and music.

Poster Competition

Look out for details of our exciting new competition. In conjunction with British Science week and West Northants Council, we would like the children to design a poster, exploring the pitfalls of air pollution and/or how we can combat this.
