Pentecost Term 2024 Newsletter 10

"With Christ as our guide, we let our light shine."

A Message from Mrs Yuen...

Dear Parents and Carers,

The weeks are really flying by now and we continue to be busy with lots of exciting learning going on.

Thank you to everyone joining us for our Sports day. It was lovely seeing so many of you there cheering the children on. The children really did shine through their determination and team spirit and the weather cooled for us, which we were also thankful for.

This week year 4 have visited Everdon Outdoor Centre to consolidate their geography skills through a river study. They had great fun carrying out practical activities and really experiencing geography first hand.

Next week, I will be sending out information about classes for next year and our moving up day, where children get to experience some time meeting their new teachers in their classes for next year.

As of next week, we also welcome Miss Roberts as a member of the St Mary's team. Miss Roberts has been on placement with us this year while she has been completing her teacher training. We're delighted that she will be joining us as a member of staff.

Have a wonderful Weekend.

Best wishes

Mrs Yuen

Aspiration-Resilience-Awareness-Compassion

Sports Day

The sports day was a great success. The children were working individually and together in houses to raise. We will announce the winning house next week where the Sports trophy will be awarded. A big thank you to Mrs Wilson for the many hours behind the scenes preparing for this event. Thank you also to the staff for preparing their children and supporting them to excel. It was wonderful having so many families joining us and cheering the children on. These are the times that children remember in their school journey.

Term Dates

- 20th June** – Year 6 Big Bang Visit
- 21st June** – Year 3 Visit to Everdon
- 24th June** Year 4 Visit to Everdon
- 25th June** NSPCC Speak out Stay Safe Workshops

- 2nd July** Victorian Seaside Day – Reception and year 1
- 8th July** -Year 5 to Everdon outdoor Centre
- 9th July** – Move up day for classes
- 14th July**- Reports to parents

Speak out Stay safe Workshops

A representative from NSPCC came to deliver workshops to year 2, year 5 and year 6. This followed our whole school online Keep safe Assembly we recently had. The children met Buddy who reminds children to speak out and tell someone about their worries.

Year 5 Exploring Pneumatics

Some excellent DT skills demonstrated in year 5

Year 4's River study at Everdon Outdoor Centre

On Monday, Year 4 children and staff visited Everdon Outdoor Centre. As part of their geography learning the children looked at meanders and river flow. They recorded their data in various ways. One pupil commented, ' It was fun doing all the activities, I enjoyed seeing what was meant by river flow. We timed it too.'
