Dear Parents,

Thank you to all parents who attended Parents Evening this week. I do hope you found it as valuable and informative as the teachers. It has been another busy week at St Mary's. Year 6 are working hard in preparation for their SAT's tests, which they will take in May, well done to all of you. Our Year R children were very excited when they visited the Gallones Ice Cream Factory on Thursday, where the children made their own Ice Cream and was even able to taste different flavours. Thank you to everyone completing parent surveys. We have had a tremendous response. Further copies are available in the front office for those who were not at parents evening.

I am continuing to receive daily updates from the government regarding the Coronavirus. Everything will continue as normal, we are encouraging the children to wash their hands regularly, please encourage this also at home. If there is any change in advice given, we will inform you straight away.

Have a wonderful weekend
Mrs K Yuen
Executive Head Teacher

Our Whole School Attendance for Weekending 13th March 2020 was **96.47%** 😊

Gallones Ice Cream Factory Visit

On Thursday our excited Reception children visited the ice cream factory. They enjoyed hearing about how ice cream is made and explored the different flavours. Using their senses of smell and taste they had an opportunity to guess the different flavours. The children were exceptionally behaved and a real credit to all of us. They each came back with a tub of ice cream they had invented.
