## *A Message from Mrs Yuen...*

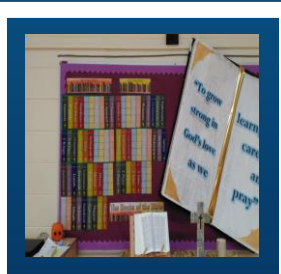

Dear Parents and Carers,

Another productive week in school comes to an end. On Wednesday our school paused to remember those who have died in service for their country. The children gathered separately outside to take part in the two-minute silence and placed poppies down as a mark of our remembrance and our thanks for their sacrifice- thank you to everyone for making this such a powerful reflective moment.

Thank you again for all your support in keeping our children and staff safe. Please may I remind you that if your child is feeling unwell they are displaying any symptoms of Covid- a new continuous cough, a raised temperature or loss of taste or smell, they should stay at home and you should call NHS 111.

Have a wonderful weekend.

*Warmest Regards  
Mrs Yuen*

## Remembrance Day

### LEST WE FORGET

All the children and staff joined the country holding a 2-minute silence on Remembrance Day at 11am. The children each created a poppy.

The poppies are now displayed around our tree and look beautiful at night lit up.

## Geography in Year 5 Class

The children have been exploring maps and using their geographical skills. They have been finding out about contours and how to work out whether an area is flat or mountainous.

## The McCarthy-Dixon Foundation

Well done everyone, what a fantastic effort in support of this local charity.

## Online Safety

We welcomed Simon Aston into school this week, The Online safety and Wellbeing Officer for Northamptonshire County Council. The children really enjoyed their sessions:

*Quotes from Some Year 4 pupils:*

*'Simon taught us how to stay safe online'*

*'We must only play games online that are for your age group'*
