

# St Mary's Catholic Primary School

## Teacher – KS2

September 2019

M1 – M6 (*dependent on experience*)

St Mary's Catholic Primary School is a delightful one form entry primary school educating approximately 200 pupils and is located towards the North of Northampton. St Mary's joined the St Thomas of Canterbury Catholic Academies Trust in April 2016 and is one of three Catholic primary schools with strong links to the only Catholic Secondary School in Northamptonshire; all 4 schools work closely together within the Trust.

The school is seeking a highly committed and passionate teacher for Key Stage 2 who is keen to ignite a real passion in our pupils by providing a rich, varied and exciting curriculum within a nurturing and caring environment underpinned by a Catholic ethos and educational focus. Our aim is for every pupil to leave with a strong moral purpose, high aspirations and immense pride in what they have achieved during their time with us.

With the support of the Trust, St Mary's is on an incredible journey of school improvement. Through a relentless focus on pupil progress and end of Key Stage outcomes, a strong emphasis on staff development and additional day-to-day support with financial and operational management, we have built the foundations for a bright and exciting future for this school.
