Lent Term 2023 Newsletter 15

*"With Christ as our guide, we let our light shine."*

## A Message from Mrs Yuen...

Dear Parents and Carers,

It has been wonderful to see lots of fantastic work happening in our classrooms this week; there has been a real variety of what children are learning across the school. The children's enthusiasm and dedication to being the best they can be has been evident throughout the school.

Some of you may have noticed a small blue shed appear in the school grounds and be wondering what it is for... very soon we will be launching our own 'Little Lending library'. We regularly get donations of books and we want to share these with you by providing a system where as a family you can choose a book, bring it back then choose another! Please keep an eye out for more information soon.

We look forward to welcoming you all at our Book Look next Tuesday where you are welcome to visit the classrooms at 3.20pm – 4pm and see the learning your child has been completing!

Have a wonderful weekend  
Mrs Yuen

## Year 2 - Exploring Habitats

This week Year 2 were exploring habitats that contain things that are living and things that are non-living. They put on their wellies and went out around the school to observe a range of plants, animals and objects, including rocks, puddles, benches, litter and fencing. They then had to sort into two group 'living' and 'non-living'.

## Learning in Reception Class

Our Reception children have been palaeontologists again this week. They have been exploring fossils and have really enjoyed making their own out of salt dough! They have also been shadow drawing using dinosaurs.

## Term Dates

**Ash Wednesday**

**Start of Lent**

14th February

**Half Term**

19th – 25th February
