## *A Message from Mrs Yuen...*

Dear Parents and Carers,

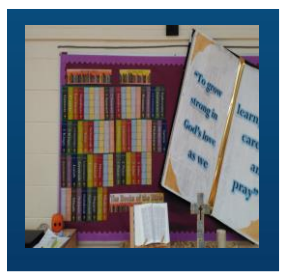

It's been a busy week here at St Mary's.

We have had lots of entries for the "Around the World" Competition. Thank you for your support with this. There's wonderful pictures and models arriving in my office. Don't worry if you still want to enter, there's still time as the competition doesn't close until Monday.

The Eco Team have been enjoying creating an eco code and recording it with Mrs Blicow. They can't wait to share this with you soon.

Have a wonderful weekend.

*Warmest Regards  
Mrs Yuen*

## New Geography Books

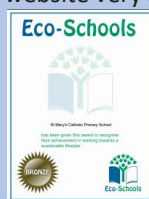

We have had lots of new resources arrive this week, here are some of our new geography books. The children are looking forward to using them in their topic lessons.

## Eco-Council Presentation

Our Eco-Council received fantastic news this week when they found out all their hard work, in setting up the Eco group and starting on the journey towards an Eco Green Flag for the school, had earned the school its Bronze Eco Award.

Among other activities carried out, the children had to do a review of the schools current Eco position and come up with an action plan to make the school more Eco friendly and promote an awareness of the importance of looking after our planet. The children have also created an Eco Code, which they hope to film and upload to the school website very soon.
