Advent Term 2020 Newsletter 7

"To Grow strong in God's Love as we Learn, Care and Pray."

A Message from Mrs Yuen...

Dear Parents and Carers,

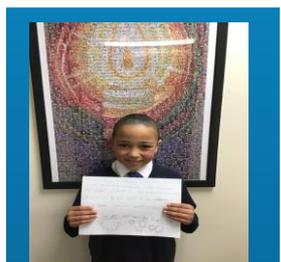

Half term is here! What an eventful term we have had. The children have been enjoying their learning and producing some excellent pieces. There have been many highlights this half term including: Space Week and our Science Workshops with Atomic Tom; a visiting poet and the "Around the world" competition. This week our year 6 children had fun with drones and dance, as part of transition work with Thomas Becket School.

Thank you to all of you for your continued support in keeping our children safe. Behind the scenes, the staff are working tirelessly and I would like to thank them for their hard work too.

Have a fantastic half term break and a well-deserved rest. Your children have been amazing and are a real credit to you.

Have a wonderful weekend.

*Warmest Regards
Mrs Yuen*

What do you think When You Hear the Word Library?

This week the children of Year 2 learned all about how to use a library and finding out about the different genres of books available. Afterwards, the children found some quiet time to explore the books in the library.

The children had lots of answers to the question above but one that caught our eye was the response from a Year 2 child who simply said,

"A home for knowledge."

Wise words from one so young.

Thank you for the Harvest

Dear God,

We thank you for all the gifts of fruit and vegetables you give to us at Harvest time. For the bread and the cereals on our table every day and for all the other good things we have to eat. Help those who are less fortunate and grant us all your peace this day and for evermore.

Amen.

Thank you for your harvest donations. The response has been overwhelming. Today we raised £164 and have a considerable amount of food to give to the Hope centre.
