

“With Christ as our guide, we let our light shine.”

A Message from Mrs Yuen...

Dear Parents and Carers,

This week we have had several sporting events. It always brings great excitement competing against other schools. On both occasions the children demonstrated skill and determination and did very well on the leader boards.

I have spent a lot of time in classes and have been impressed with the children's focus on their learning and keenness to improve. In Year 5 they were writing a narrative based on the book 'The promise' by Nicola Davies. The author evokes a powerful vision of a world where people and nature live in harmony. The children were recreating this in their own individual style. Lots of budding authors in the making!

The children were pleased to meet the creator of Winning with Numbers in school. Mr Harding met with pupils enthusing them with numbers. Each child has a log in to the Winning with Numbers Platform. Please do encourage your child to log in at home and increase their speed of recall.

Thank you to all parents who ensure their children are dressed in the correct school uniform each day. Please be reminded that the correct footwear for school is **flat black shoes** and not boots. Also, for PE it is **black trainers or plimsols**. Further guidance is available on our website. We hope you enjoy your weekend.

Best Wishes,
Mrs Yuen

A visit from Mr Harding

We welcomed Mr Harding from 'Winning with Numbers' to our school this week. The children enjoyed asking him Maths related questions and sharing how they are enjoying the new maths fluency platform. Please do encourage your child to log in at home. Please check their home school planners for details and a reminder of how to do this.

Key Dates

Lent Term

6th January- 4th April

Half term Break

17th – 23rd February 2025

Easter Holidays

5th April -21st April 2025

Summer Term

22nd April- 18th July 2025

Bank Holiday 5th May

Half term Break

26th May- 1st June 2025

Last day of school year

18th July 2025

Researching Animal Habitats – Year 2

In Science this term, Year 2 have been exploring various animal habitats. They have been using online tools to widen their research. They have also been exploring local habitats to identify and name living things and begin to understand how they depend on one another for food and shelter.

Kurling Tournament – Year 2

Our Year 2 team attended the New Age Kurling Competition this week. They had to practise balance, concentration and precision in order to slide their stone towards the target. Well done for such positivity and achievement. It's not as easy as it looks.

EFL Utilita U11 Kids Cup 2025 – Northampton Town Football

This week some of our Year 6 footballers participated in the Utilita Cup Tournament courtesy of NTFC. Our children were excellent ambassadors demonstrating skill, strategy and determination in all their games.
