

*"With Christ as our guide, we let our light shine."*

## A Message from Mrs Yuen...

Dear Parents and Carers,

What a wonderful week we have had! The children across the school have been brilliant this week supporting their Year 6 friends in so many different ways. Well done to our year 6 children who have shown great resilience and determination, to do their very best in their SATs Exams. We are all so proud of you.

This week I have started to receive some entries for our 'Peace in our time' Competition. There is still time for those still wanting to enter, as the closing date is next Friday on 23<sup>rd</sup> May.

Next Wednesday, Year 1 children will be presenting their class assembly. Parents of Year 1 children are invited to join us at 9am in the school hall for this.

The weeks are racing on and it is difficult to believe that we are already nearly halfway through the Summer term - with only one more week to go until we break for half term. There are so many events scheduled across the coming weeks please do make a note of them. Have a wonderful weekend and we look forward to seeing you all on Monday.

Best Wishes

Mrs Yuen

## Mission Team in Action

At Lunchtime our Mission team were out on the playground teaching children how to sign to the Hail Mary. In the Catholic church, May is a month dedicated to Mary and following our May Procession last week singing The Hail Mary has become very popular!

- Last day of the school Year - 18th July 2025**

## Design Technology in Year 2

Year 3 have been developing their sewing techniques, as part of their Design Technology project, ' Cut, stitch and join'. They have been learning about different sewing methods and designing their own bag tag.

## Science in Year 5

In Science Year 5 have been exploring and dissecting flowers identifying the structures and key features. They have been matching the parts to the key vocabulary.

Our Year 6 pupils have been absolutely brilliant this week remaining calm and focused as they tackled the challenge of SATs head on! They have arrived at school each day with smiles on their faces ready to work to their best ability. Well done to you all – we are so impressed! Today they enjoyed an activity-based day to celebrate the end of SATs Week.

## Well Done Year 6!
