## The Three Little Pigs

After The Three Little Pigs had got rid of the Big Bad Wolf, they enjoyed living together in the brick house. However, after a while they decided it was too small for all of them and they needed to build a new house. Draw a picture of a new house that you have designed for The Three Little Pigs. Label it to show why it is perfect for them.

What material will you choose for your house? Why?

Can you think how The Three Little Pigs in the story are different to real pigs? Spend some time learning about Pigs. Can you create a fact file with your new learning?

Watch the number blocks episode 'The three little pigs'. What do you know about the big bad square? Can you draw and label a picture of all the 2D shapes you know? Can you tell me how many sides and corners they have?

Build a model of a house that you think would stay standing when the Big Bad Wolf huffed and puffed. You could try to use a hairdryer to blow it down (ask an adult to help you!)
