Pentecost Term 2021 Newsletter 27

“With Christ as our guide we let our light shine.”

A Message from Mrs Yuen...

Dear Parents and Carers,

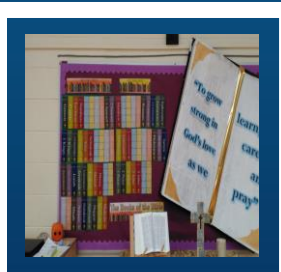

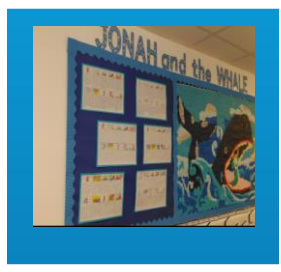

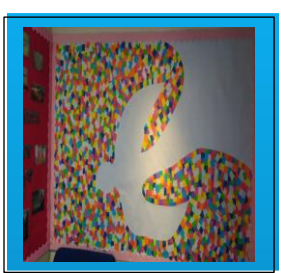

It has been another busy and exciting week ending with our sports day today. The children have thoroughly enjoyed this and have really challenged themselves. It is disappointing I know that parents were not able to watch this year, however, lots of photographs were taken, so please look out for these on our website. Thank you to Mrs Wilson for organising such a successful event.

I am busy at the moment, reading through the end of year pupil reports. It has been most enjoyable seeing how much the children have achieved, despite the interruption from the national lockdowns. The end of year reports will be sent to parents on Friday 9th July.

We still have so much happening over the last few weeks including end of year visits to The Cotswold Wildlife Park. Please keep a look out on our website for dates and events as we continually update this.

Have a wonderful weekend.

*Best Wishes
Mrs Yuen*

Radio 2's Big Bee Challenge

The Big Bee Challenge is Radio 2's brand new competition for kids, in partnership with the Royal Horticultural Society.

It's a fun and creative way to learn more about bees and other insects that help provide much of the food we eat, and are essential for a healthy environment.

If you are between the ages of 6 and 12, we want you to draw a bright, buzzy garden that will attract bees and other pollinating insects.

Grab pens, pencils, crayons and paint and get creative, we want you to let your imagination run wild!

Entries close 6pm on Monday 5 July.

For more information, head to the website:

Let us know if you enter the competition by bringing in a copy of your design. Good Luck.
