Advent Term 2021 Newsletter 4

*"With Christ as our guide we let our light shine."*

## *A Message from Mrs Yuen...*

Dear Parents and Carers,

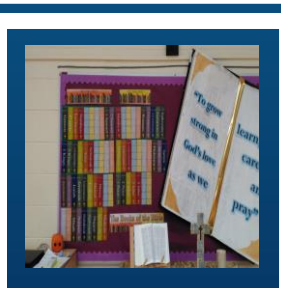

This week at school, the children were surprised by some very interesting visitors - you may have heard..... The dinosaurs came to visit! The sheer excitement was a joy to behold. A real moment in time.

Also, this week each class has had an important online safety workshop delivered by the 'One Day Creative' team. The children learned important lessons about how to keep themselves safe online through interactive drama workshops.

Next week we are hosting our parents evening. These will take place in the school hall. If you would prefer a phone conversation as an alternative, please contact the school office, when we can arrange this on an individual basis.

Have a wonderful weekend.

*Best Wishes  
Mrs Yuen*

## Life Long Ago

This week we had special dinosaur visitors from Life Long Ago. Reception and Year 1 enjoyed being palaeontologists and discovering fossils in a special workshop. We enjoyed a special assembly where we met a baby velociraptor and triceratops. And Sophie the Tyrannosaurus Rex made an earth shaking appearance for a photo shoot with each class!

## Through the Screen

This week, we invited *One Day Creative* into school to deliver a 'Through the Screen' workshop with each class. The children learned important lessons about the importance of keeping safe online. Key Stage 1 enjoyed learning about staying safe through a story involving the Three Little Pigs and the Big Bad Wolf.

## Online Safety

Key Stage 2 became superhero's, changing their name, voice and body to create a different 'persona' and pretend to be someone else. All to remind them that they shouldn't give away personal information about themselves no matter who they think they are talking to.
