

*"With Christ as our guide we let our light shine."*

### *A Message from Mrs. Blincow...*

Dear Parent/Carers,

I hope you all had a lovely Coronation Bank Holiday weekend?

This week, I would like to start by congratulating our Year 6 children on their SATs performance. All we ever ask of our children is for them to do their very best and that is exactly what they did. Their perseverance and resilience throughout was exemplary and a testament, not only to their hard work, but that of their parents and all the staff in the school who have worked with them. We all look forward to celebrating your successes.

On Thursday next week, we will be holding our May Procession in honour of Mary, the Patron Saint of our school. We would like to invite parents and carers to join us as we celebrate the occasion. Please see the attached flyer for more details.

I look forward to seeing you then.

*Have a wonderful weekend*  
*Mrs Blincow*

## Coronation Celebration - Street Party

Our Coronation Celebrations continued this week with our very own Street Party. The children enjoyed the sunshine and some extra playground fun, before sitting down together to celebrate the Coronation of King Charles III, with a few 'treats' and a song or two. This was a fitting end to a really busy week and a chance for the children to celebrate a new Royal Era. The festivities ended with a hearty rendition of 'God Save The King'.

## Term Dates

**Pentecost Term**

Monday 17<sup>th</sup> April

**May Bank Holiday**

Monday 1<sup>st</sup> May

**Extra Bank Holiday for the**

**Coronation**

Monday 8<sup>th</sup> May

**Half Term**

29<sup>th</sup> May – 2<sup>nd</sup> June

School re-opens Mon 5<sup>th</sup>

**Inset day**

Friday 30<sup>th</sup> June

**Term Ends**

Friday 21<sup>st</sup> July – 3.15 PM

## Fun and Games

Coronation fun included some extra time in the playground, as well as decorating cakes for the party and making our own Coronation Crowns.

## History Timeline

This week we took delivery of a beautiful new History Timeline, which spans the length of the corridor in KS1. It maps various important events in History from Prehistoric times to the present day. As well as being extremely decorative, we have come up with some creative ideas for the children to use it to research and answer questions as well as retrieve information they have already learned.

## Coronation Crowns

As part of the build up to the Coronation, the children were tasked to design a crown for King Charles. Ideas from several pieces were used to decorate a 3D crowns, which are now displayed in the front office of the school.
